

# 311, Summer Of Love

I thought about my scene today  
And I've finally got the words to say  
The truth is cutting like a knife  
Gonna use it to cut away my strife  
The grass is green and the sky is blue  
My head is clear and my thoughts are true

Callin' out young and old  
We got a thing that can't be sold  
The time that takes to rise above  
In the summer of love

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

I wake up each day to the sun  
And it's hard to choose what to do for fun  
A blissful world surrounds me  
And my brothers and sisters love is always free  
Don't you know that I've waited my whole life  
Just to show what's inside and let my love flow  
That's what I'm sayin'

Callin' out young and old  
We got a thing that can't be sold  
The time that takes to rise above  
In the summer of love

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

(Dub break (figure it out))

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer

It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

It's the summer  
It's the summer  
It's the summer of love I say

I said it's the summer of love  
My head is clear, and my thoughts are true
