

36 Crazyfists, Circle The Drain

Tons of frustration builds in mine
And it shows me nothing
It shows me nothing at all

Circle the drain

Backward solace right from your side
And you sit and criticize
Shows me nothing
It shows me nothing at all

Circle the drain

I don't need it...I don't

It shows me nothing
It shows me nothing at all

Circle the drain

I don't need it... I don't
