

# 360, Impossible (feat. Daniel Johns)

Comin to terms that I might become a blind guy.  
If I do I'll only ever look on hindsight,  
But if I do lose my eyesight  
I don't give a fuck,  
Cause I'll be looking through my minds eye

If there is a god can I get a lifeline,  
With my vision now I'm forced to look on the bright side.  
Feel like my life is a really short timeline.  
So I smoke on cloud, nine die, watching time fly

I've played so many incredible shows.  
But because I'm so fucked I don't remember them tho,  
Fear is an emotion that none of us should be scared of  
If you need help play this and it'll wear off.

Don't wanna talk about it baby  
Its just another needle in the hay  
And I can feel nothin lately  
Anytime, anywhere, for anything

We changed routes to fake our love,  
We gotta get out shit together,  
Impossible!

Were playing now to stay strong,  
We gotta keep ourselves together!  
Impossible!

I gave music a wedding ring,  
And I'm willing to have nothing so I can have everything,  
Gotta A now calling me a junkie when he barely even knows me so who is he to judge me,

Yo I'm dreamin I'm dreamin,  
In a dream I don't have to sleep him to beat him,  
Plus now my budget probably ain't the best for a young self destructive unhealthy [?],  
Alcohol, sex, caffeine and cigars too, shit,  
What haven't I been addicted too,  
If you wish me then reach for the sky,  
Pour a drink and celebrate that were even alive

Don't wanna talk about it baby  
It's just another needle in the hay  
And I can feel nothing lately  
Anytime, anywhere, for anything

I just wanna feel something baby  
In another time, another day  
But it's impossible to change me  
Anytime, in any way, for anything

We changed routes to fake our love,  
We gotta get our shit together,  
Impossible!

Were playing now to stay strong,  
We gotta keep ourselves together!  
Impossible!

We changed routes to fake our love,  
We gotta get our shit together,  
Impossible!

Were playing now to stay strong,

We gotta keep ourselves together!  
Impossible!
