Nice legs, Daisy Dukes,
Makes a man go (whistles),
That's the way they all come through like (whistles),
Low-cut, see-through shirts that make ya (whistles),
That's the way she come through like (whistles),
'Cause I just set them up,
Just set them up,
Just set them up to knock them down,
'Cause I just set them up,
Just set them up,
Just set them up to knock them down
I think I should know how to make love to something innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to pronounce,
How do I say I'm sorry 'cause the word is just never gonna come out,
Now,
L-o-v-e's just another word I never learned to pronounce
Tight jeans, double d's makin' me go (whistles),
All the people on the street know (whistles),
Iced out, lit-up make the kids go (whistles),
All the people on the street know (whistles),
'Cause I just set them up,
Just set them up,
Just set them up to knock them down,
'Cause I just set them up,
Just set them up,
Just set them up to knock them down
I think I should know how to make love to something innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to pronounce,
How do I say I'm sorry 'cause the word is just never gonna come out,
Now,
L-o-v-e's just another word I never learned to pronounce
Push it baby, push it baby,
Out of control,
I got my gun cocked tight and I'm ready to blow,
Push it baby, push it baby,
Out of control,
This is the same old dance that you already know,
Push it baby, push it baby,
Out of control,
I got my gun cocked tight and I'm ready to blow,
Push it baby, push it baby,
Out of control,
This is the same old dance that you already know
I think I should know how to make love to something innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to pronounce
