

3rd Storee, It's Apart

This is a story so don't you dare laugh
3rd store' breakin' out on that ass
It's time to have to have some fun
There's a party round' the corner
U can go if you wanna
Stop on by
It's gonna be live
It's on tonight
It's on tonight
Ladies lookin' so sexy
That's why I groove wit La Face and Jon b
They don't know about this here
Party
It's so hot that you don't mind
Cuz your havin' such a good time
Up the block around the corner
Apt. 3A
