

3rd Storee, What Would It Be Like

oohhh

Verse 1:

You know I had a few
Girls I thought would do, but
They were there just to please me
Ohh

You know I had my share
A true player, I didnt care
I only wanted to do things my way, baby

Bridge:

Oh...

I gots to get a chance with this

Oh...

Words of a damsel I can get with this

Oh..

I cant believe shes as hot as this

Gots to wander if I got with this

Chorus:

What would it be like

If I was wit ya girl

What would it feel like

If we met tonight

And we kissed and held ya tight

Babe

And what would it be like

If you were single world

If you was my baby girl

That someone is hanging right

What would it be like

Verse 2:

I never felt like this, like

honeys got me on a trip, cause

Im feeling like I need someone to be with, yeah

She gots them pretty eyes

She wears that skirt so right

She bodied up tonight

Shes making me so high

(Bridge)

(Chorus)

Baby come take a ride (come take a ride baby)

And maybe tonight and maybe tonight will be the night (will be the night)

The night that you and I (you and I will find out)

what its like to be together (what its like to be together)

o yeah...

(Chorus)

What would it be like

If I, had you be my side

And, What would it be like

If I had some time with you and I

What would it be like

Can we make it right

All together tight

I'd like to know

(Repeat till fade)
