3rd Storee, You Don't Want Me To

You dont want me to babe oOoh no. yeah yeah.. yeah yeah yeah yeah.. Listen Baby I dreamed about being with you And I wanna make my dream come true But I know that your pain still remain (I know your pain still remain) And I wanna be the one that you can put your love And trust into but when you really need someone I like to be the one who will be right there I don't know what to say I'll never have no words everytime I see your face it hurts that I can't be with u cause I know you don't want me to you don't want me to I wake up all alone make breakfast on my own everything has changed now that you're gone now i can't be with you living life is hard to do When you don't want me to I thought about the things I said And I thought of what went through my head But please know that my heart never change (please know my heart never change) And right now I need for you to see the very different side of me When you know you can love someone I like to be the one who will be right there I don't know what to say I'll never have the words everytime I see your face it hurts that I can't be with u cause I know you don't want me to you don't want me to I wake up all alone make breakfast on my own everything has changed now that you're gone When I can't be with you living life is hard to do When you don't want me to You kno its not easy when I can't stop thinking Thinking about you girl its driving me crazy because you don't want me to I don't know what to say I'll never have the words

everytime I see your face it hurts that I can't be with u cause I know you don't want me to (you don't want me to) I wake up all alone make breakfast on my own everything has changed now that you're gone When I can't be with you living life is hard to do When you don't want me to
