3T, From Now Until Forever

They say in this world Nothing lasts forever But I don't believe that's true 'Cause the way that I feel When we're together I know that's the way I'll always feel for you **CHORÚS** From now until forever That's how long i'll be true I'll make you this vow And promise you now Until forever I'll never stop loving you And there'll come a day When the world stops turning The stars will fall from the sky But this feeling will last When the sun stops burning All I wanna do is love you 'Til the end of time **CHORUS** It's gonna take more than a lifetime To give you all the love All the love I feel for you tonight CHORUS ('til fade)
