

4 Lyn, Drama Queen

You love to spread the secrets that
you should keep locked in your dirty mouth.
Tell me, is it so hard to stay quiet?
You lie and spy to see them cry.
And never know when you gotta go..

Chorus:

GO! You wanna go, huh?
GO! You wanna go, huh?
GO! You wanna go, huh?
GO fuckin' drama queen!
GO! You wanna go, huh?
GO! You wanna go, huh?
GO! You wanna go, huh?
GO fuckin' drama queen!

You love to look at me to see
Your biggest personal enemy.
Just keep your tempting mouth well-closed -
and find the perfect way to go... Chorus

If you would see what I see in you
you would never open up your eyes again.
If you would feel what I feel for you
you would never ever talk to me again

Talk to me again
Talk to me again
Talk to me again Chorus
