

# 4\*TOWN, Nobody Like U (piosenka z filmu 'To nie wypanda')

Yeah, ooh, yeah

I've never met nobody like you  
Had friends and I've had buddies, it's true  
But they don't turn my tummy the way you do  
I've never met nobody like you  
Oh, yeah, yeah

You're never not on my mind, oh my, oh my  
I'm never not by your side, your side, your side  
I'm never gon' let you cry, oh, cry, don't cry  
I'll never not be your ride or die, alright

Let's call it what it is, it's a masterpiece  
Gotta whole lotta love for them city streets (Glendale)  
Tonight is the place to be, gotta big boom-box and a new CD  
Come on, everybody let's tear it up  
If you want mad skills, you can share with us  
I want everybody to stop and stare  
And you know why, it's me (Robaire)

Woo, uh  
It's too good  
Yeah, haha  
Let's go

You're never not on my mind, oh my, oh my  
I'm never not by your side, your side, your side  
I'm never gon' let you cry, oh, cry, don't cry  
I'll never not be your ride or die, alright
