

# 4HIM, Bigger Than Life

Life sometimes such a bully  
It sneaks up and knocks us to the ground  
Life seems to show no mercy  
Well It laughs at us and kicks us when were down

Well Ive been there in its shadow  
And the time has taught me this  
If we look over its shoulder  
Well see that our god is

Chorus:  
Bigger than life  
Bigger than anything that comes our way  
Bigger than life  
Bigger than any problems we might face  
Our god is so amazing beyond all we can say  
So hearts of faith take courage come what may  
Hes bigger than life

We, we all have had our bruises  
When life has led us to a painful place  
Time and again hasnt our God proven  
He can handle any struggles that we face

Well hell be the same tomorrow  
As hes been through all the years  
So even when this lifes not fair  
We have no cause to fear

Chorus  
Our god is so amazing  
Beyond all we can say

Chorus
