

4HIM, Face The Nation

I heard somebody say
No matter what you do
Before you speak your heart
Know who youre talkin to
What good are words
If theres nobody listening
If you can testify
To what the Lord can do
Then dont you think its time
To prove His promise true
If you believe that the message is Clear
Then you must turn around so
The hungry can hear

CHORUS

When we say what we say weve
Got to face the nation
We got to show a dying world
The power of love
When we say what we say weve
Got to face the nation
How will they ever know if they
Dont see it in us
You just never know who mightBe listening
But if they cant hear us the
Words mean nothing
When we say what we say weve
Got to face the nation

We tell the Lord well go
Where He would have us serve
But sometimes honest vows
Become just token words
Never fulfilling the call
Thats been given
When just outside our door
There waits a world in need
So many breaking hearts
That only He can see
We have the power thats found
In His Word
But we have to reach out
If were gonna be heard

And Jesus said to them, Go, therefore
And make disciples of all nations.
Baptizing them in the name of the Father
And the Son and the Holy Spirit, teaching
Them to observe all that I commanded
You. And lo, I am with you always, even
To the end of the age. (Matt. 28:19-20)
