4HIM, Lay It All On The Line

So don't go wastin' your time Holding on to your life

There are treasures that I have possessed Meant the world to me But they never fill the emptiness I needed something more than these

In the middle of my wilderness God reached down to me When I let go to His tenderness I found His love was more than I ever dreamed

CHORUS

So don't go wastin' your time Holding on to your life Just lay it all on the line Gotta make up your mind There can be no more compromise Just lay it all on the line

It's a matter of surrendering Every hidden fear And by letting go of everything Jesus will meet you there

In the heart of everyone of us There's a call to faith Even though we'll never measure up That's why the Savior, that's why the Savior came

REPEAT CHORUS (2X)

BRIDGE

Gone are the days of holding on This is the time to surrender Now is the moment you've got to let it go Just let go Just let go

Just let it go now

Don't go wastin', wastin' your time Gotta make up, make up your mind There can be no more compromise Just lay it all on the line

REPEAT CHORUS
