

4HIM, Measure Of A Man

This world can analyze and size you up
And throw you on the scales
They can IQ you and run you thorough
Their rigorous details
They can do their best to rate
And they'll place you on their charts
And then back it up with scientific smarts

But there's more to what you're worth
Than what their human eyes can see

CHORUS

Oh I say the measure of a man
Is not how tall you stand
How wealthy or intelligent you are
'Cause I found out the measure of a man
God knows and understand
For He looks inside to the bottom of your heart
And what's in the heart defines
The measure of a man

Well you can doubt your worth
And search for who you are and where you stand
But God made you in His image
When He formed you in His hands
And He looks at you with mercy
And He sees you through His love
You're His child and that will always be enough

For there's more to what your worth
Than you could ever comprehend

(Chorus)

BRIDGE

You can spend your life persuing physical perfection
But there's so much more than ever meets the eye
For God looks through the surface
And he defines your worth by what is on the inside

(Chorus)
