

# 5 Seconds Of Summer, Social Casualty

La da da, la da da, da da  
La da da, la da da, da da

It's just a kid, it's all the same  
Growing up, it doesn't change  
Who are they to try and put us down?  
Had enough of what they say  
Sick and tired of all their games  
Stand up and sing it with me now

La da da, la da da, da da  
La da da, la da da, da da

So save me from who I'm supposed to be  
Don't wanna be a victim of authority  
I'll always be a part of the minority  
Save me from who I'm supposed to be  
So tell me, tell me, tell me what you want from me  
I don't want to be another social casualty

She's just a girl, turned eighteen  
She ran away to chase her dreams  
They said she wouldn't make it far  
She took a chance and packed her bags  
She left town and didn't look back  
So tired of wishing on the stars

La da da, la da da, da da  
La da da, la da da, da da

So save me from who I'm supposed to be  
Don't wanna be a victim of authority  
I'll always be a part of the minority  
Save me from who I'm supposed to be  
So tell me, tell me, tell me what you want from me  
I don't want to be another social casualty

La da da, la da da, da da

La da da, la da da, da da

So save me from who I'm supposed to be  
Don't wanna be a victim of authority  
I'll always be a part of the minority  
Save me from who I'm supposed to be  
So tell me, tell me, tell me what you want from me  
I don't want to be another social casualty
