

50 Cent, 21 Questions (Just The Questions)

50 Cent-
New York City,
You are now ridin'
Wit 50 Cent,
Ya gotta love it
I just wanna chill and twist a lot
Catch suns in my 7-45
You drive me crazy, shorty I
Need to see you and feel you next to me
I provide everything you need and I
Like your smile, I don't wanna see you cry
Got some questions that I gotta ask and I
Hope you can come up with them answers babe

-Nate Dogg-
Girl... It's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?

Would you still have love for me?

-50 Cent-
If I fell off tomorrow, would you still love me?
If I didn't smell so good, would you still hug me?
If I got locked up and sentenced to a quarter-century
Could I count on you to be there to support me mentally?
If I went back to a Hoopty from a Benz,
Would you poof and disappear, like some of my friends?
If I was hit and I was hurt would you be my side?
If it was time to put in work would you be down to ride?
I'd get out and peel a nigga cap to chill and drive
I'm asking questions to find out how you feel inside
If I ain't rap 'cause I was flip burgers in Burger King
Would you be ashamed to tell your friends you're feeling me?
In the bed, if I use my tongue would you like that?
If I wrote you a love letter, would you write back?
Now we can have a little drink, you know a Nightcap
And we can go do what you like, I know you like that

Now would you leave me if your father, found out I was thugging?
Do you believe me when I tell you, you the one I'm loving
Are you mad 'cause I'm asking you twenty-one questions?
Are you my soulmate? 'Cause if so, girl you're a blessing
Do you trust me enough to tell me your dreams?
I'm staring at you tryin'a figure how you got in them jeans
If I was down would you say things to make me smile?
I treat you how you want to be treated, just teach me how
If I was with some other chick and someone happened to see
And when you asked me about it I said "It waan't me"
Would you believe me?
Or up and leave me?
How deep is our bond?
If that's all it takes for you to be gone
We only humans girl we make mistakes
To make it up I do whatever it take
I love you like a fat kid love cake

You know my style
I'll say anything to make you smile
