Tony Yayo

[Hook: repeat 2X]

Back seat of the Caddy truck or Tahoe

Back seat of the Benz truck or Expo

Back seat of X5 or Range Rov'

So when I pick you up, you know how this shit go - hoe

[Tony Yayo]

Hey yo, my truck talk for me

If I was bummy and ugly

Your bitch'll still have love for me

As long as I push a truck, rims chunky

Never open my lips, your bitch wanna fuck me

Beep the air horn, hop in turn the heat on

Pick you up off the streets get your feet warm

She giving sex cause the Lex truck takes unleaded

Big thick thighs, eyes browner than Sahara deserts

Deuce-Deuce, bitches, yeah they caught your eye

And them loud system full of bass and highs

You see that X5 BM

Packed with Puerto Ricans

Bad mommies on the low, just creepin

Niggas be frontin like they bubbling coke

But they really struggling with a high car note, ha ... (YEAH)

[50 Cent]

Might see me in the Jeep

Rollin' 'round 4 deep

And you know we on the creep

Nigga, I'm holdin' it

[Hook]

[Tony Yayo]

Back seat of my truck lets swing an episode

Fuck a hotel we have sex on the road

I pull the seats back

Put the sheets in the luggage rack

Pull out my balls

And play an Aaron Hall track

I tell a chick "Bend over, mami"

Hit 'em with the Henny Dick

Now my windows foggy

Its time to party, I got TV's, CD's and DVD's

Now bitch, get on your knees

You could be a model chick or a silly hood rat

Don't cum on my leather, don't stain my floor mats

Where's your baby mama?

She in the truck and I'm blessin her

Undressing her

Make hop out for air re-freshener

I ain't stressing her

'Cause my rims keep checkin her

She's 21, my rim size older than her

## TWENTY TWO'S

[50 Cent]

Niggas say they want beef  
But when they see me in the street  
They don't slow down to speak  
'Cause they know I'm holdin ..

[Hook]
