[Verse]

First we get to talkin', then we get to touchin'

If we could pass the phone games, we'll be fuckin'

I'll kiss you like the french before my tongue in your ear

Do it like the dogs do it girl and pull on your hair

Me in different scenery just means a different position

In a tub or in the sink i improvise now listen

In the chopper or in the jet you mile high club

Im no fool i know money cant buy me love

But im a different type of nigga that make sure that you know

Instead of a rose, theres a hundred dozens of those

See i see something special when i look in your eyes

With your legs way back i say this pussy is mines

If you aint sure when im talkin' i dont tell you no lies

But theres things that you say that have me wanderin' why

When i dont say what im thinkin' it dont mean that im shy

Got on that shit that you picked for me thats why im so fly

[Verse]

While you in your bubble bath i can wash on your back

When you puttin' on your lotion i can help you wid that

I sit and think of things to say that may make you smile

Or give you gifts from my heart to reflect my style

The slang i use when we bill may change how you talk

And if im focused when im strokin' i can change how you walk

Its the swagger that you come for but when you come from New York

I'm a hustler i just hustle in the things that i bought

Separate me from the rest, i feel like im the best

If there's a price to pay for feelin' you, i pay that twice  
Im as ghetto as it gets girl you know thats right  
I aint got nutin' to hide baby i tell you my secrets  
'for you end up bein' around long enough to peep shit  
I get closer to you, i mean closer than close  
I get into you, after i take off my clothes  
Girl i been into you, mentally long before..

[Chorus]

If i was your best friend, i want you round all the time (I want you round me all the time)  
Can i be your best friend, if you promise you'll be mine (Girl promise you'll be mine)  
Please say he's just a friend (Uh huh)  
Now girl let's not pretend (Come On)  
Either he is or he ain't your man (Haha)  
Please say he's just a friend..  
If i was your best friend, i want you round all the time (I want you round all the time)
