On a late night, all in the morning, morning  
I wanna be where she wanna be  
She is the definition of sexy to me  
I'm fin to push her upon me, upon me  
Yeah, let her know that I want it, want it  
She wanna be where I wanna be

She'll be so happy she did it

In bed, I'm like a wizard  
Sort of a wizard you wanna visit over and over again  
Her body's a map, I'm the guide  
I'm just here to show her  
How I get to that G spot,  
Non stop, tic tac, time fly, hella fun  
No lie, oh I know I , can give her what she need  
Slow mo or high speed, ecstasy ...need

She make me want it, want it  
On a late night, all in the morning, morning  
I wanna be where she wanna be  
She is the definition of sexy to me  
I'm fin to push her upon me, upon me  
Yeah, let her know that I want it, want it  
She wanna be where I wanna be  
She is the definition of sexy to me

You can hear us from the next room when we go at it  
I studied her addiction, she got a habit, she gotta have it  
I'm always on my job, I work it nice and hard  
I mean I work it how she want  
She my homie lover friend  
And she might just bring her other friend  
Feel the rush adrenaline, will make a nigga head spin  
I say just keep it simple baby, we ain't to complicate it  
If you and it and I want it, maybe we should have it  
Baby we got one life to live, it's precious the time we share  
Now call me when you're in need  
Baby girl I'll be there  
For showing me, you can confide, I'm a rider 24/7 ready to crash in

She make me want it, want it  
On a late night, all in the morning, morning  
I wanna be where she wanna be  
She is the definition of sexy to me  
I'm fin to push her upon me, upon me  
Yeah, let her know that I want it, want it  
She wanna be where I wanna be
