[Lloyd Bank\$]

You cant be serious, its 4 in da mornin

Bright in the morning, i roll over guess whats on my shoulder

a pretty brown round round, who-kid stompin is goin downtown

but at night with no lights, ill have you wondering if thas a lightening bug in your mouth

or a glow in the dark tongue ring

Banks need a ghetto chick, set a nigga up with ass

stick around till he fall asleep, then get in his stash

leave her with everything, rubberband stacks in the grass

ass so fat, she get hand claps when she pass

I aint neva had a girl, but you can be my bottom bitch

i done been around the world, we done hit all kinds of chicks

Range Rover, never sober

Hennessy but never soda

B-A-N-K dolla sign BITCH!

na i aint here to hold ya, let your baby daddy hold his shoulda

Banks dont associate with no TRICKS!

Ima make it a G-Unit party from the hotel lobby

If u aint tryin to freak off then go home BITCH!

Baby if you get on ur knees

put me in ur mouth

and suck me off

you know i got you (3x)

[Young Buck]

You know what i came to do, Bet you put ur lips on my dick

but dont tell nobody you my mistress bitch

All your friends keep tellin ya what to do when ya get me

gotta eat the nut first like a hershey kisses

Bitch show me u miss me, like im Pac or Biggie

She could be small like Eve, or even big as Missy

I like it when them whites indulge in group sex

suck off Banks and 50 and be like "you next"

Get your ass too flex, tellin me to go down

Im a P.I.M.P, Bitch i bet you know now

Baby girl slow down, you make a nigga cum quick

when you close your eyes and make ur tongue do a twist

You my 3 o'clock lollipop, catch the last drop bitch

walk around naked hoe, i met your ass topless

She finally found out what Young Buck is bout
Now give a nigga from the south some of that mouth
Baby if you get on ur knees
