I'm up early in the mornin', tryna make a movie
Come in here with me shorty take your lil' on the school
Even though she cause the drama, you love your baby momma
I hit her with the llama to get this kick
There is the coke, the cash, the combo and the safe
But she don't know it, damn, ok go away
I play with your kid on the couch, while your bitch on the phone
Put a gun to her head sayin' daddy come home
You was rollin' poppin' bubbly, didn't think it get ugly
In the hood shit is lovely until it go bad
Now you can pray for a miracle and God might be hearin' you
When i'm not in the jam, i write in my hand
