[Verse 1 50 Cent]

Sonny did ten years in the fed joint, he half way out  
He aint home, his ass in a halfway house  
Correctional facilities don't correct shit  
Cause the first thing he asked is who gotta get hit  
a shoot out in 89' fucked up how he walk  
He a grimey ass nigga, you should hear how he talk  
should shoot the shepard in the head and da sheep ill scatter,  
let niggas talk cause action is all that matters,  
I asked about Barnes he sucked his teeth and said he was soft,  
Said the boys up in Otisville was breakin him off  
can you picture him in the yard, niggas yokin him up  
treatin him like a pin cushion, pokin him up  
He came home actin like he hard as fuck  
Must want a first class ticket to see god Uh huh  
he stick his chest out tellin' niggas he don't back down  
wait until he find out Sonny's back 'round

[ChorusX2 50 Cent]

Maybe we crazy, but this is the way we came up,  
nigga front, that somethin gon go down,  
Nigga stunt, cruise to this bitch if you want,  
without a strap, and you gon getcha ass layed down

[Verse 2 50 Cent]

Legs ill squeeze the life out you like a boa constrictor  
Fuck a headlock, im talking bout extortion nigga  
Apply pressure, its hot, get the fuck out the kitchen  
When niggas pay you every Friday you aint got to stick em  
At the dice game if Ace roll a six it's no problem  
But if he roll a ace he gon pull out and rob him  
losin, a little is alot, when niggas is starvin'  
Man the drama in my hood is goin down regardless

[ChorusX2 50 Cent]
