

54 Seconds, Nashville

I was thinking bad, bad things, the moment you arrived
I could really heal myself, by wounding you tonight
and I lay here down....

For just one night in Nashville baby, I turn you on
I got you on your knees again, you know, you know.

Didn't want to leave the room, or put the past behind
I just left you lying there, pretending it's alright.
And I couldn't help it...

You know, Just when I want you down on the floor,
giving me back what I got before,
I feel yeah, I feel, and I feel, I'm feeling.

oh oh, Yeah...

'Cause just one night in Nashville, I'm on my way
I got you on your knees again
I'm feeling
