

# 5ive, Don't Wanna Let You Go

[Chorus:]

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
so what else can you do  
You've said all you have to  
we're comin' after you  
So don't make a sound  
I got this feelin'  
could it be there's someone watchin' over me  
Tell me, who you are  
I closed my eyes and count from nine  
To try and find some peace of mind  
But it's gone too far  
You see our faces everytime you turn your head round  
we'll be watching even when you turn the lights down  
We will always be around no matter where you are

[Chorus:]

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
so what else can you do  
You've said all you have to  
we're comin' after you  
So don't make a sound  
I'm all alone now in the dark  
Just one chance so we can talk  
That is all I ask  
I close my eyes and then I dream  
I always wake up to a scream  
Wonder where you are  
Don't you know we're always gonna be around you  
And there really isn't anything you can do  
We will always be around no matter where you are

[Chorus:]

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
so what else can you do  
You've said all you have to  
we're comin' after you  
So don't make a sound [x2]
