

5ive, Got The Feelin

Na na na na na na na nah [x4]

Here we go again with the beats

We got you heads bumping, now you're jumping from your seats

If this is what you're wanting over there

Throw your hands up in the air

Cos you know we bring the sounds so unique

Now everybody's moving, everybody's grooving

Getting down with Five when we come your way

Move it to the left now you shake it to the right

Cos you know we gotta keep this party

Pumping through the night

Check me out now

[Bridge:]

Yo! 7,6,5,4,3,2,1

I'm on the microphone, got you hot like the sun

So A 1,2,3 now I'm waiting on the 4

Kick down the door and turn it up a little more

If you got the feelin', jump to the ceiling

Ah we're getting down tonight

1 if you wanna, 2 if you're gonna, 3 cos everything's alright

[Chorus:]

If you got the feelin', less of the dreaming

Ah, we're getting down tonight

It's just round the corner, tell me if you wanna

5 will make you feel alright

Ah, move it at the back to the track

We got it going on we're the leaders of the pack

Now if you feel right, hold it tight

see, we wanna carry on cos we gonna take it through until the dawn

Now everybody's moving, everybody's grooving

getting down with 5 when we come your way

So raise up your arms if we drop it on the 1

You see we're gonna carry on because the fun has just begun

Check us out now!

[Bridge]

[Chorus]

Oh oh oh oh oh oh oh

Na na na na na nah

Na na na na na na na nah

[x4]

[Chorus]
