

# 5ive, How Do Ya Feel

We wont stop.  
We dont even know how to stop.  
Ya see, with positive minds,  
We create positive vibes,  
And with those positive vibes,  
We create positive lives.  
So if there's somethin' that ya want,  
Ya know ya gotta get it.  
Don't ever forget it  
Cos someday ya will regret it.  
So keep on pushin' for 'em  
Cos your dreams are ya dreams,  
And no matter how it seems,  
There will always be the means  
To get what ya want,  
Yo, and where ya going to  
Now. What ya gonna do?  
I'm a leave that up to you.  
[Bridge:]  
We gotta keep it goin' on now,  
Take it to the top now,  
Never gonna stop  
Even if we start to drop now.  
Here we go again y'all,  
Can you get this flow,  
Never wanna go slow so...  
[Chorus:]  
How d' ya feel, do ya wanna feel alright?  
Here's the deal, we've got pure delight.  
Alright, it's alright.  
Wake you up in to the morning light,  
Shake you up before you sleep at night.  
Alright,  
(You wanna feel alright)  
It's alright.  
(We got pure delight)  
They say I'm greedy, but I still want more.  
What you don't need to know,  
I keep behind closed doors,  
Cos, everything I buy cant be sold,  
And everything I touch turns to gold,  
You see, because I'm better than the next man.  
I shine above all those who try to put me down  
And pass it to the next man.  
Who's the best man for keeping it tight?  
Next time it comes around make sure you do it right.  
[Repeat Bridge]  
[Reapet Chorus Until Fade]
