

# 6LACK, Khalid, Seasons

it's been a little cold  
and not outside  
switch up the wardrobe  
goot be dressed for the ride  
got hit whit a winter breeze  
I know we like to act tough  
what we do it for?  
be careful with energy  
no need to be so cold  
I wanna be more

summer's calling  
a beautiful simmer's calling  
summer's calling  
a beautiful simmer's calling  
summer's calling

I been going through it  
you nbeen through it  
I fal back and look at what we're doing  
I could yell at you  
but what's the use  
if you really love me  
gotta prove it  
carrying this baggage  
nneed t pack light  
hate seeing you sad  
I gotta acr right  
I am looking forward fo the brigher  
oh my love

summer's calling  
a beautiful simmer's calling  
summer's calling  
a beautiful simmer's calling  
summer's calling

have you ever looked at someone and said  
I could spend my whole life with ya  
you're lusky the greatest thing I could do is marry you  
cause if I could, I spill my blood  
down to give you my last breath  
the old me on his last stretch  
I guess a new season's next , next

summer's calling  
a beautiful simmer's calling  
summer's calling  
a beautiful simmer's calling  
summer's calling
