On a roll and don't fuck whit no goupies  
If it mdon't make sense or dollars

And my airport clothes, they Prada  
Adn we're cuting off the wrist

Now, all m y bags belong on jets, yes!

Couldn't even enjoy June  
But i am a livin' walkin' fun guy

Even though i had some thogh Times  
Made my bed on the frontline  
One time for the one time for
