Hey girl, hey, where u been? Yo' phone still on? I been tryin to reach u.  
My mans them said they saw u, and I was like, man I got to call her man,  
I got to get at her man, and it's funny that I see you now.  
Girl u so fine, look at u. Went some, wa wa wa,

There u go, again, talking about, where have I been  
Like I'm, your child, it is, non of your biz  
Shut yo mouth, I'm tired, of hearing you, running your trap  
And by the way, I forgot to say that, your bags are packed

Why u wanna bother me,  
Constantly pagin me, drivin me crazy  
Talking that Yadi yaaa  
All up in my ear goin

Blah Blah Blah Blah,  
Silence I ain't hearin no mo' cuz all I hear is,  
Blah Blah Blah Blah  
Everytime u open yo mouth all I hear is  
Blah Blah Blah Blah  
Always tryin to put me in check, spittin to me that,  
Blah Blah Blah Blah  
Sorry, boy you played yo self cuz u keep sayin'

See that house you in, it's yo mama's crib, you ain't got yo own  
Flossin fakin' bling, Jay-z wanna be, claimin money ain't a thang  
U ain't gotta lie to kick it, you ain't got shit just admit it  
See I'm rollin high, but u passin by, on the passenger side

Why u wanna bother me,  
Constantly pagin me, drivin me crazy  
Talking that Yadi yaaa

Always tryin to put me in check, spittin to me that,  
Blah Blah Blah Blah
