

702, Come And Knock On My Door

(VERSE 1)

I anticipate- you told me that you wouldn't be late
Boy here I wait
Got the candles lit so boy don't you hesitate
Prepare to be amazed
I'll bend to every move that you make
You can have it your way
I got the wine on ice
Cause I'm sure we'll be up late

(B-SECTION)

You got me buggin-buggin
For you I'm always open
More kisses and more huggin
Lovin' everything you do to me
No matter what the time is
You are always invited
On me; I'll never fight it
Don't take me wrong
Just wanna turn you on

(HOOK)

Come and knock on my door
I've been waiting on you
Cause your love is on time
Can't get enough of you
Can't be faking what's real
I'll just tell you what true

(VERSE 2)

Come as fast as you can
I want everything to go as planned
Cause tonight you're gonna win
Ready to give in - cause you're not that average man
It's been a long time since
I let my guards down and let you in
It was you that I missed
Lets cut right to the chase
And come handle it
