702, Not Gonna

"Intro:
I've got to find me a new guy.
Uh, supa fly,
Orish, 702, hot, come on.

Verse One:
Oh why, oh why so stupid of me,
To take you back so easily.
I'm going, going out of my mind,
To take you back a second time.

Bridge:
Why must you put me through,
So much heartache and pain?
Tell me am I insane,
To let you do me this way?

Chorus:
I'm not gonna take you back,
'Cuz boy I don't play that.
No matter what you say,
You treat love like a game.
Repeat

Verse Two:
Oh no, oh no how dumb could I be,
To think that you loved me (how naive).
These lies all the time,
I should have known you weren't mine.

Repeat Bridge & Chorus

Verse Three:
Oh no, oh no where did you go?
Why did you leave me all alone?
You're spending most of your time,
With other tricks on your mind.

Break:
I've got to find a new guy,
See I need a new guy (can't put up with your lies).
(Repeat) Look what you've done to me,
You broke my heart.
You put a burden on me,
I feel so torn apart.
(Repeat)

Repeat Chorus to fade
