

702, Trouble

When You're alone with me
I know that this could be...

Verse:

I can't help myself baby
although I try
You're the flame that turned
into a fire
And baby, there's someone
else in my life
But what you got it
keeps on callin'

When you're alone with me
I know that this could be

Chorus:

Trouble
But I'm down to take a chance
Trouble
Cause I kind of got a man
Trouble
And I don't know what to do
Trouble
Cause I'm really feelin you

When you're alone with me
I know that this could be

Verse:

you don't know if he finds out
just what he'll do
So i'm telling you that
there's a lot to lose
If he knew what we did
He'd act a fool
So let' be smart about
this baby

When you're alone with me
I know that this could be

(Chorus)

When you're alone with me
I know that this could be

Bridge:

As we proceed
(tell me if you're really sure)
I'm what you need
(can you handle what's in store)
I know it's wrong
(but the way i feel for you is strong)
If this keeps going on
this could be dangerous

When you'r alone with me
I know that this could be

Trouble....

Trouble.....

When you're alone with me

I know that this could be Trouble.
