

# 89ers, 89ers boy

Hear the song  
About your boy  
About the 89ers boy  
He does so many things  
And we don't know what it brings  
But he always tries so hard  
But later on  
It's friday night  
The disco lights are shining bright  
He has to play some songs  
For some motherfucking hunks  
Who are shouting all the time  
And we stand here together  
Together forever  
And I might say hello  
Everybody singing wooooaoh  
Then they ask  
Some little chicks  
What the hell is going on on this mix  
Just be patient for a while  
Psychodelic music style  
This is exactly what he likes  
And after all  
Is said and done  
Where all the people they are having fun  
They are jumping all around  
To the 89ers sound  
That's looking really hot  
And we stand here together  
Together forever  
And I might say hello  
Everybody singing wooooaoh  
Hear the song  
About your boy  
About the 89ers boy  
He does so many things  
And we don't know what it brings  
But he always tries so hard  
But later on  
It's friday night  
The disco lights are shining bright  
He has to play some songs  
For some motherfucking hunks  
Who are shouting all the time  
And we stand here together  
Together forever  
And I might say hello  
Everybody singing wooooaoh
