

# 911, Rhythm of the night

When it feels like the world is on your shoulders  
And all the madness has got you goin' carzy  
It's time to get out  
Step out into the street  
Where all of the action is right there at your feet  
Well, I know a place where we can dance the whole night away  
Underneath the electric stars  
Just come with me and we can shake it loose right away  
You'll be doing fine once the music starts

[Chorus]

Oh feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mine  
You can leave them all behind  
Feel the beat of the rhythm of the night  
Oh rhythm of the night, oh yeah  
Look out on the street now, the party's just beginning  
The music's playing, a celebration's starting  
Under the street lights the scene is being set  
A night for romance, a night you won't forget  
So come join the fun, this ain't no time to be staying home  
There's too much going on  
Oh tonight is gonna be a night like you've never known  
We're gonna have a good time the whole night long

[Chorus]

Oh feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mine  
You can leave them all behind  
Feel the beat of the rhythm of the night  
Oh rhythm of the night, oh yeah  
I know a place where we can dance the whole night away  
Underneath the electric stars  
Just come with me and we can shake it loose right away  
You'll be doing fine once the music starts

[Chorus]

Oh feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mine  
You can leave them all behind  
Feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mine  
Feel the beat of the rhythm of the night (oh baby, oh darling)  
Forget about the worries on your mine (oh la...)  
Feel the beat of the rhythm of the night (and the music's playing)  
Forget about the worries on your mine (as it's celebration)  
Oh yeah, la..... as the music's playing, as it's celebration  
And the music's playing everybody sing  
Feel the beat of the rhythm of the night  
Feel the beat of the rhythm of the night  
Forget about the worries on your mine  
You can leave them all behind
