

98 Degrees, Because Of You

It's all, it's all, it's all..

You're my sunshine after the rain
You're the cure against my fear and my pain
'Cause I'm losing my mind
When you're not around
It's all, it's all
It's all because of you

You're my sunshine
Oh yeah

Baby I really know by now
Since we met that day
You showed me the way
I felt it then you gave me love
I can't describe
How much I feel for you

I said baby I
Should have known by now
Should have been right there
Whenever you gave me love
And if only you were here
I'll tell you, yes I'll tell you
Oh yeah

You're my sunshine after the rain
You're the cure against my fear and my pain
'Cause I'm losing my mind
When you're not around
It's all, it's all
It's all because of you

Honestly, could it be you and me
Like it was before
Neither less or more
'Cause when I close my eyes
At night I realize that no one else
Could ever take your place

I still can feel and it's so real
When you're touching me, kisses endlessly
It's just a place in the sun
Where our love's begun
I miss you, yes I miss you, oh baby

You're my sunshine after the rain
You're the cure against my fear and my pain
'Cause I'm losing my mind
When you're not around
It's all, it's all
It's all because of you

If I knew how to tell you
What's on my mind (On my mind)
(Make you understand)
Then I'd always be there
Right by your side

You're my sunshine after the rain
You're the cure against my fear and my pain
'Cause I'm losing my mind
When you're not around

It's all, it's all
It's all because of you

You're my sunshine after the rain
You're the cure against my fear and my pain
'Cause I'm losing my mind
When you're not around
It's all, it's all
It's all because of you

You're my sunshine after the rain
You're the cure for my pain
'Cause I'm losing my mind
When you're not around
It's all, it's all
It's all because of you
