

98 Degrees, Heaven's Missing An Angel

Oh, no ...

I hope the man upstairs isn't mad at me
Cuz I have one of his angels and she's here with me
Each time I see her precious smile and she spreads her wings
It takes me to a place where love meets eternity
(Oh no) Oh no (I'm not letting go) letting go
I don't want to be alone in this crazy world
(Oh Lord) Oh Lord (I love her so) I love her so
And I'll sacrifice it all to have her in my life

(Chorus)

I found my girl, I'll tell the world
That heaven is missing an angel
(Missing an angel)
My dreams came true (came true, came true)
When I found you
(I found my love in you)
Yes, heaven is missing an angel
(Heaven is missing an angel)

Not a day goes by that I don't thank God for you
He blessed me with my angel though I don't deserve you
Before I met you girl, lonely was my best friend
Now that you are in my life, I am stronger within
I can't wait to kiss my angel late at night
And watch her go to sleep until I see her rise

Repeat Chorus

All that I do is for you
Me without you girl, just won't do
Oh no, no
Your love's all I wanna know
Angel, don't you ever go
Life won't be the same without you, you, you, you, you
Oh, oh yeah ...

Repeat Chorus

(I found my girl) I don't know
(I'll tell the world) I love her so
(That heaven is missing an angel)
I don't want to be alone in this crazy world
(My dreams came true) I don't know
(When I found you) I'm not letting go
(Yes, heaven is missing an angel)
I'll sacrifice it everything
Don't take her away
