

# 98 Degrees, Stay The Night

In the still of my heart  
There's a fire that burns my sole's desire  
Touching me, like the sun  
here and now I give my love so faithfully  
that I will always be the one

I wanna stay with you tonight  
I don't wanna leave,  
cause I feel the time is right  
Don't wanna go before I say,  
what I have to say  
don't ask me to walk away  
I wanna stay tonight, wanna stay the night

Holding you close to me  
The first time that your body moved with mine  
let them go, ease your fears  
caressing as i am whispering in your ears  
that i will always be the one

I wanna stay with you tonight  
I don't wanna leave,  
cause I feel the time is right  
Don't wanna go before I say,  
what I have to say  
don't ask me to walk away  
I wanna stay tonight, wanna stay the night

Bridge:  
Now is the time, I've been waiting for so long  
Just give me a sign, cause it's here where I belong  
OOH oh yeah (stay the night)

I wanna stay with you tonight (stay)  
I don't wanna leave (I don't wanna leave)  
Cause I feel the time is right (Baby please tonight)  
don't wanna go before I say  
what I have to say (what I have to say)  
Don't ask me to walk away (baby, don't walk away)  
I wanna stay tonight, wanna stay the night (wanna stay the whole night baby)

(CHORUS IN BACKGROUND)  
Wanna stay the whole night baby  
Wanna give you everything and more  
what I have to say  
don't ask me to walk away

stay the night, stay the whole night oh, yeah  
my baby, my baby tonight

(background 3x to fade)  
Dont wanna go now,  
I wanna stay the night  
don't wanna go now,  
don't ask me to walk away
