98 Degrees, Thank God I Found You

(Mariah Carey)
I would give up everything
Before I'd separate myself from you
After so much suffering
I finally found the unvarnished truth
I was all by myself for the longest time
So cold inside
And the hurt from the heartache would not subside
I felt like dying
Until you saved my life

(Mariah Carey & 98 Degrees)
Thank God I found you
I was lost without you
My every wish and every dream
Somehow became reality
When you brought the sunlight
Completed my whole life
I'm overwhelmed with gratitude
'Cause baby I'm so thankful
I found you

(98 Degrees)
(Oh yeah)
(Oh yeah)
I would give you everything (Everything)
There's nothing in this world I wouldn't do
To ensure your happiness
I'll cherish every part of you
Because without you beside me I can't survive
I don't wanna try
If you're keeping me warm each and every night
I'll be all right
'Cause I need you in my life, oh..

(Mariah Carey & 98 Degrees)
Thank God I found you
(I'm thanking you)
I was lost without you
(So lost without you)
My every wish and every dream
(Every dream, every dream)
Somehow became reality
When you brought the sunlight
(Brought the sunlight)
Completed my whole life
I'm overwhelmed with gratitude
'Cause baby I'm so thankful
I found you
Oh oh oh oh oh..

See I was so desolate
Before you came to me
Looking back (Looking back)
I guess it shows
That we were destined to shine
After the rain to appreciate
The gift of what we have
And I'd go through it all over again
To be able to feel this way

Thank God I found you
I was lost without you
(Lost without you, baby)

My every wish and every dream
Somehow became reality
When you brought the sunlight
Completed my whole life
I'm overwhelmed with gratitude
Sweet baby I'm so thankful
I found you

Thank God I found you
I was lost without you
I'm overwhelmed with gratitude
My baby I'm so thankful
I found you
(You, you)

(Mariah Carey)
I'm overwhelmed with gratitude
My baby I'm so thankful I found you
