

# 98 Degrees, Was It Something I Did't Say

Spending another night alone  
Wondering when I'm gonna ever see you again  
Thinking what I would give to get you back baby  
I should have told you how I felt then  
Instead I kept it to myself, yeah  
I let my love go unexpressed  
'Till it was too late  
You walked away

CHORUS:

Was it some thing I didn't say  
When I didn't say "I love you";  
Was it words that you never heard  
all those words I should have to you  
All those times, all those nights when I had the chance to  
Was it something I did't say  
(I did't say, Baby..I did't say)  
Always assumed that you'd be there  
Could't foresee the day you'd ever be leaving me  
How could I let my world slip through my hands baby  
I took for granted that you knew, yeah  
All of the love I had for you, yeah  
I guess you never had a clue  
'Till it was too late  
You walked away

REPEAT CHORUS

All the words were in my heart  
They went unspoken  
Baby now my silent heart is a heart that's broken  
I shoulda said so many things  
Shoulda let you know you're the one I needed near me  
But I never let you hear me  
REPEAT CHORUS
