

# 98 Degrees, Was It Something I Didn't Say

(Something I didn't say)  
(Something I didn't say)

Spending another night alone  
Wondering when I'm gonna ever see you again  
Thinking what I would give to get you back, baby  
I should have told you how I felt then  
Instead I kept it to myself, yeah  
I let my love go unexpressed  
'Til it was too late  
You walked away

Was it some thing I didn't say  
When I didn't say "I love you";  
Was it words that you never heard  
All those words I should have told you  
All those times, all those nights  
When I had the chance to  
Was it something I didn't say?  
(Something I didn't say)  
Was it something I didn't say?

Always assumed that you'd be there  
Couldn't for see the day you'd ever be leaving me  
How could I let my world slip through my hands, baby  
I took for granted that you knew, yeah  
All of the love I had for you, yeah  
I guess you never had a clue  
'Til it was too late  
You walked away

Was it some thing I didn't say (Didn't say)  
When I didn't say "I love you";  
Was it words that you never heard (Never heard)  
All those words I should have told you  
All those times, all those nights  
When I had the chance to  
Was it something I didn't say? (Didn't say)  
(Something I didn't say)  
Was it something I didn't say?

All the words were in my heart  
They went unspoken  
Baby now my silent heart  
Is a heart that's broken  
I should've said so many things  
Should've let you know  
You're the one I needed near me  
But I never let you hear me

Was it some thing I didn't say  
When I didn't say "I love you";  
(I didn't say "I love you";)  
Was it words that you never heard (Never heard)  
All those words I should have told you  
All those times, all those nights  
When I had the chance to  
All those times, all those nights  
When I had the chance to  
Was it something I didn't say?  
(Something I didn't say)  
Was it something I didn't say?  
(I didn't say baby, I didn't say)  
(Something I didn't say)
