

# 98 Degrees, Why Are We Still Friends

(Ooh ooh)  
Oh tell me why  
(Ooh ooh, yeah)

We do almost everything that lovers do  
And that why's it's hard  
Just to be friends with you  
And everytime your heart is broken by the fool  
I want you to know  
That it hurts me too

It's hard to wipe your tears away  
Knowing you should be with me, now tell me

Why, why are we still friends  
When everything says  
We should be more than we are  
And tell me why  
Everytime I find someone that I like  
We always end up just being friends  
(Just being friends)

I would hate for you to find somebody new  
Who you really love  
'Cause it would mean losing you  
But am I a fool girl not to say  
If I'm always scared  
I'll lose you anyway

Somehow somehow I've got to choose  
Got to choose (Oh yeah)  
No matter if it's win or lose  
Now tell me why

Why, why are we still friends  
(We still friends)  
When everything says (Oh yeah)  
We should be more than we are  
And tell me why  
Everytime I find someone that I like  
We always end up just being friends

I don't want to be like your brother  
I don't want to be your best friend  
I only want to be your lover  
When will this end?  
If I told you that I want to be in your life?  
If you could be the woman in mine  
Now tell me why..

Why, why are we still friends  
When everything says (Everything says)  
We should be more than we are  
And tell me why  
Everytime I find (I find)  
Someone that I like (Oh yeah)  
We always end up being just friends

So tell me why  
Why, why are we still friends  
(Are we still friends)  
When everything says  
We should be more than we are  
And tell me why (Tell me why)

Everytime I find someone that I like  
We always end up being just friends
