

# 999, Boys In The Gang

High tension sound so neat  
over reaction get off your seat

we're with the boys in the gang  
we're with the boys in the gang

don't understand don't ask me why  
some kind of reason, some kind of high  
it's something that you want to try

we're with the boys in the gang  
we're with the boys in the gang

what is this feeling that i've got inside  
it can take me for a ride....a ride  
it's something that you want to find

we're with the boys in the gang  
we're with the boys in the gang

we're with the boys in the gang  
we're with the boys in the gang

(fading)  
we're with the boys in the gang
