

A\$AP Rocky (ASAP Rocky), Tony Tone

Stoned-stoned when I'm in my zoney-zone
Smokin' on the homegrown, feeling like I'm all alone
Used to go to Kingdome, Rucker Park with Tony Tone
Listenin' to Bone Bone, feelin's in my bone bone
I can tell it, I could give a fuck about a list, ya heard?
I could give a fuck about a diss, ya heard?
I could give a fuck about your clique, ya heard?
Shut the fuck up 'fore I rock your bitch, ya heard?
Shut the fuck up!

my mama named me
my papa gave me cock to take a piss with
to fuck ya bitch with
life is different for me, for instance
the type of niggas spray his kids in some chicks
