

A\$AP Rocky, CALLDROPS (Ft. Dean Blunt &am

"Mo—money and the power, money and the power"

Eyedrops, ("Fuckin' with the killas")
Teardrops
Droptops, ("Fuckin' with the killas")
Ice blocks (Beat drop, beat drop)

I was thinking to myself (Calldrops)
Maybe I should seek some help
Maybe I should blame myself ("Don't expect no money")
My mystique in stealth is gone away
("Don't expect no money")
It's going away, it's going away

Eye drops
Teardrops
Droptops
Ice blocks

You used to be so soft
This is a prepaid collect call from
("Fuckin' with the killas")
Beautiful teardrops on your cheeks
An inmate at Florida Correctional Institution
Beautiful things
This call is subject to recording and monitoring
This-this life situation and shit, you there?
Uh-huh
You ready right now?
Yeah, I'm ready, got you on speaker

All the pain I went through
Turned to a singer
I put it all on my tattoos
'Cause of where I came from
If I ain't ever learned before, then it's gon' change me
(This call is subject to recording and monitoring)
Sittin' in institution, I done lost my baby
If nan' ain't ever woke me up, then it's gon' wake me
When them people ran up on my spot, and they took my baby
A random kind that's doing his time, but it's for no reason
A random kind that's ridin' the pine, something you free—something you free—something you free
