

# A\$AP Rocky, CALLDROPS (Ft. Dean Blunt &am

&quot;Mo—money and the power, money and the power&quot;

Eyedrops, (&quot;Fuckin' with the killas&quot;)  
Teardrops  
Droptops, (&quot;Fuckin' with the killas&quot;)  
Ice blocks (Beat drop, beat drop)

I was thinking to myself (Calldrops)  
Maybe I should seek some help  
Maybe I should blame myself (&quot;Don't expect no money&quot;)  
My mystique in stealth is gone away  
(&quot;Don't expect no money&quot;)  
It's going away, it's going away

Eye drops  
Teardrops  
Droptops  
Ice blocks

You used to be so soft  
This is a prepaid collect call from  
(&quot;Fuckin' with the killas&quot;)  
Beautiful teardrops on your cheeks  
An inmate at Florida Correctional Institution  
Beautiful things  
This call is subject to recording and monitoring  
This-this life situation and shit, you there?  
Uh-huh  
You ready right now?

All the pain I went through  
Turned to a singer  
I put it all on my tattoos  
'Cause of where I came from  
If I ain't ever learned before, then it's gon' change me  
(This call is subject to recording and monitoring)  
Sittin' in institution, I done lost my baby  
If nan' ain't ever woke me up, then it's gon' wake me  
When them people ran up on my spot, and they took my baby  
A random kind that's doing his time, but it's for no reason  
A random kind that's ridin' the pine, something you free—something you free—something you free
