

A Bad Goodbye, Clint Blac

Ive been bound to leave you, weve known that for awhile
Im sure its something I cant do if I cant leave you with a smile
I dont know how far Ill have to go till Im sure those eyes wont cry
And in my mind Ive left enough to know that I cant leave you
With a bad goodbye
Goodbye, easier said than done
Goodbye, theres no good when youre the one
Whose goodbye you swore would never come
And in my goodbye youre finding none
Im still bound to leave you, I surely dont know how
My heart wont let me put you through
What my mind said should happen now
I dont know where well go from here, there may be no way to fly
And the cloud Im in just makes it all too clear that I cant leave you
With a bad goodbye
Goodbye, easier said than done
Goodbye, theres no good when youre the one
Whose goodbye you swore would never come
And in my goodbye youre finding none
How can we be so far between where we are and one more try
And any way I look, Ive only seen that I cant leave you
With a bad goodbye
