

# A Band Of Bees, Binnel Bay

Stumberling  
Searching out  
To make work  
Slouched behavior and hammer blows  
The counterman don't pay so send in the pounds  
I.O.A.  
Ba na nana electricity  
You've got many friends  
From all the colors round  
Go choose the calmer brown  
Before you burn your eyebrows down  
You withheld your number and name  
punched Friday out of the windowpane  
It went shady  
Just like the landlady when it rains
