

# A Beautiful Silence, My Guardian Angel

The way your hair falls across your face, has always been a mystery to me, i dont know why sure a  
i've lost it again and, im running scared as, your falling from heaven, to save me from sin and, the I  
these imperfections lead in all directions but youve always kept me bold and clean, and my misfort  
i've lost it again and, im running scared as, your falling from heaven, to save me from sin and, the I  
you take my pain away, your my guardian angel, you take my pain away, your my guardian angel.  
i've lost it again and, im running scared as, your falling from heaven, to save me from sin and, the I
