

# A Billion Ernies, Doomsday Robot Army

over the hills the doomsday robot army marches on becoming from the sea they're metal and they'  
chorus:

the time has come doomsday has begun wake up your children from their beds run and hide or the  
i take refuge in some foliage where i'm safe from their lasers i shield my eyes and estimate their gr  
do not lose hope one day we'll find the crank and we'll have a hero his name will be skankin' hank.
