

# A Burning Water, Patience Is Me

The way she moved  
the way she kissed  
it ended all tonight  
and I know that time is ticking by  
I faded out  
he faded in  
your distaste for the world  
has ran the warmth from your heart  
and as such  
I cant believe what its become  
and I feel  
You look so lovely in your tears  
you cant remove  
you cant resolve  
you wont resign  
I cant define  
you cant make the friction yeah (x2)  
so promise me, my puzzle piece  
that this is not the end  
and we will meet again someday  
I feel alive  
I feel the end  
We've known it all before  
but this time it feels way too real  
and as such  
I cant believe what its become  
and I feel  
You look so lovely in your tears  
You cant remove  
You cant resolve  
You wont resign  
I cant define  
you cant make the friction yeah (x2)  
we'll call it quits in the middle of the night  
mistake that turned to run and not return  
you'll have to hide in the darkness of this light  
the puzzle piece no longer fits its place  
your tears are warm and there is no place for me  
so whats left that isn't already gone  
a patient heart that refuses to forgive  
believing me was the worst thing you ever did  
patience is me  
its a chance that you took  
that you barely denied  
this is the end  
you just might lose it all
